Dear Recruiter

Please accept this letter expressing my interest in the integration support engineer position. I am a highly motivated and progress-focused full-stack Software engineer with a long-standing background in this industry. With a track record of initiative and dependability, I have devised strategic initiatives that will prove valuable to Moniepoint.

Throughout my career, I have perfected my data management and full-stack development abilities. I am a capable and consistent problem-solver skilled at prioritizing and managing projects with proficiency. In my previous role, I worked as a full-stack engineer / Business representative for Gemini Engineering Solutions, a leading telecommunication services provider, where I liaised with telecommunication and fintech partners like MTN, Airtel, Glo, Zenith Bank, and GTBank, and users to solve business problems. I have also built a ton of projects and worked on different payment integrations with APIs like Fincra, Stripe, Paystack, Paypal, and flutterwave. Over the years, I have contributed immensely toward team efforts and business improvements. I am progressive-minded and in tune with new developments in my field. I have proven to be effective and collaborative with strong problem-solving skills.

sincerely
