Dear Sir,

ALLOCATION OF SHORT CODE

We refer to your application in respect of the above subject.

Please find below the Short Code allocated to your Company and the purpose for which it was allocated. You are required to seek the Commission's approval should you intend to use this Short Code for other purposes or provide additional services.

S/No	Short Code	Purpose/ Service (Usage)	Bearer (SMS/IVR/USSD)
1.	44018	Internal Test Code	SMS/IVR/USSD

Please be informed that Short Codes, as well as all numbering resources, are finite, hence, are considered scarce national resources. As such the Commission expects that this Short Code will be put into active use and in a manner that will not cause service disruption to the national telecommunication network.

In addition to the above, you are kindly requested to use this Short Codes in compliance with the provisions of the Nigerian Communications Act, 2003 and the Guidelines on Short Code Operation in Nigeria.

Please note that this allocation is for One (1) Year from the date of allocation above (Expiration date is February 16, 2024) and may be renewed subject to a satisfactory utilization report of the short code. Kindly bear in mind that the outcome of the ongoing Short Code harmonization process may alter the current Short Code allocation.

Thank you.

Yours Faithfully,

PP: Nigerian Communications Commission
